Mr. Jeffrey Gallo, President
Theta Chapter of Beta Theta Pi
HW Box 3090
Ohio Wesleyan University
9 Williams Drive
Delaware, OH 43015

Dear Jeffrey:

It is with deep regret that I inform you that the Theta Chapter of Beta Theta Pi at Ohio Wesleyan University has been suspended and disbanded by the Board of Trustees of the General Fraternity. The chapter charter, ritual books and other Beta property are to be returned to the Administrative Office. All undergraduate members will be moved to alumni status and will, upon graduation, be entitled to all the benefits granted to Beta Theta Pi alumni.

Numerous incidents involving the conduct of members and low overall membership were the contributing factors to this decision.

Negotiations with the university regarding future recolonization are ongoing and it is hoped that a successful and strong return to the Ohio Wesleyan campus may eventually be realized.

We regret that this action is necessary.

Yours in _____ *kai* _____,

Stephen B. Becker
Administrative Secretary
