THETA CHAPTER
OHIO WESLEYAN UNIVERSITY
54 W. LINCOLN STREET
DELAWARE, OHIO

July 27, 1954

Dear *Plato*

I am writing in connection with your June Fraternity bill.

The amount of $\frac{50}{100}$ was due on or before June of 1954.

Only about 25 brothers have paid in full for the past school year!

The result of this is that the chapter owes a good many utility bills of sizeable amount. Also, we owe the National some money which cannot be paid until you have paid your housebill.

The National is somewhat upset. Save your brothers, at the convention, as much embarrassment as possible.

Please send the amount due immediately to the Beta house.
