

Dec. 12.

It's the middle of Dec. and the  
Tathams are ready for Christmas. This is  
quite a record.

Tom graduated from Miami  
last Feb. - Masters in Business Admin.  
He's still flying in the Beavers - only  
now he drives to Detroit, Mich.  
instead of Wilmington, O. He goes on  
active duty at Ft. Greive Jan 11<sup>th</sup> for  
two weeks.

Feri is in the first grade - Tommy  
is 2½. He is a typical boy - never  
a dull moment - and Feri is so  
easy to handle - just a typical girl.

We're still hoping that  
eventually you will come to  
Dayton to visit us.

Love,  
Ann
