

Dear Dan,

We often think of you but neither one of us seem to write much although I believe I did write one letter.

Everything is about the same as before. Graduation is not far off for either of us. Too bad we can't get together to celebrate. My graduation is in March.

I believe I told you we were expecting in January and we're really excited.

Drop a line and let us know how you are and what you've been doing.

Love

Tom + Ann
